TKT & Associates, Inc. Purchases Global Staffing Franchise

New subsidiary, **TKT-nectir Global Staffing, LLC**, expands company's service capacity to meet area demands

Louisville, KY, June 11 2012: **TKT & Associates, Inc.—**regional leader in providing innovative supplier participation and workforce diversity programs, specialized staffing services, consultative resources and small business growth programs—is pleased to announce a strategic expansion in Louisville and Lexington, KY. Effective June 6, 2012, the company finalized a franchise agreement with Nectir, Inc., forming **TKT-nectir Global Staffing, LLC,** a wholly owned subsidiary of **TKT & Associates, Inc.**

Tierra Kavanaugh Turner, currently CEO of **TKT & Associates, Inc.,** remains in leadership as CEO, **TKT & Associates, Inc.** and **TKT-nectir Global Staffing, LLC.** The company will maintain offices in Louisville and Lexington, Kentucky, and support resources in Illinois, Indiana, Missouri, Ohio, Tennessee, Virginia and West Virginia.

"We explored many options in the marketplace and found Nectir to have a fresh and innovative approach to a highly competitive industry," said Turner. "They have precisely the infrastructure and technology platform I was looking for to expand our specialty staffing service capabilities for both existing and new clients."

TKT-nectir Global Staffing, LLC specializes in cross-industry staffing, with staff focused on the process excellence and speed of delivery necessary to meet the demands of an increasingly competitive, fast-paced business environment. Through **TKT-nectir Global Staffing, LLC,** clients will now have access to a broader base of staffing including contingent staffing, contract-to-hire services, permanent placement and rapid deployment staffing. Job candidates will find that **TKT-nectir Global Staffing, LLC** offers world-class benefits at group plan pricing, critical for attracting top talent.

---more---

Kavanaugh Turner notes that although job growth currently appears to be slow, some industries are experiencing strong growth thanks to momentum in automobile production, manufacturing, technology and healthcare.

"As a result of that continued growth, competition for the best candidates will increase dramatically, making expert recruiting essential," stated Kavanaugh Turner. "Employers can expect the highest standards of speed, accuracy and efficiency to find the "right fit" for their positions with **TKT-nectir Global Staffing LLC's** 100% performance guarantee."

About TKT & Associates, Inc.
